Learning Opportunity

Join Rachel Rogers, Registered Psychologist as she explores the world of ADHD, with a special emphasis on Executive Function. In particular, self-regulation and working memory, two aspects of EF will be addressed, including parenting strategies and accommodations.

TQS: #4 Establishing Inclusive Learning Environments

LQS: #9 Understanding and Responding to the Larger Societal Context

Presenters

Rachel Rogers

Rachel Rogers began her career as a teacher with Edmonton Public Schools and after completing a Master's degree she then worked as a school counsellor. Eventually, she became a school psychologist and completed her time with EPS working for Inclusive Learning. Having retired 2 1/2 years ago, she now works part-time in private practice consulting with parents whose children have ADHD. 14 years ago, Rachel founded the ADHD Association of Greater

Edmonton, a charitable, non-profit society that offers free services to the ADHD community. She continues to sit on the Board of Directors.

Registration Notes

Recording will be available for 30 days.
