Learning Opportunity

We request that a representative from each School Authority in Alberta join us for a series of conversations throughout the school year designed to support colony school leadership and learning.

Topics for discussion will be driven by those in attendance. The intent of the meeting is to provide a provincial opportunity for collaboration, problem solving together and share ideas to support colony education. For example: one topic might be how are we implementing the new curriculum in our colony schools? Do we need more support from the Consortia to be successful?
