Learning Opportunity

Join us for an engaging and informative session designed for educators from kindergarten through grade 12, focusing on the critical role of vocabulary in student achievement across all subjects. This professional learning opportunity will delve into the importance of vocabulary development, providing teachers with essential knowledge and practical strategies to enhance their instruction.

What You'll Learn:

The Importance of Vocabulary: Discover how a strong vocabulary is a key predictor of academic success and how it impacts reading comprehension, writing skills, and overall learning.

The Tiers of Vocabulary: Explore the three tiers of vocabulary—basic, academic, and domain-specific—and learn which words to prioritize for instruction to maximize student understanding and retention.

Principles of Vocabulary Instruction: Understand best practices for teaching vocabulary, including the significance of context, repeated exposure, and making connections to students' lives.

Active Vocabulary Instruction Strategies: Gain a toolkit of effective, interactive strategies that promote active

engagement and deeper understanding of vocabulary. These techniques will empower students to use new words confidently in their speaking and writing.

This session is perfect for all subject area teachers looking to strengthen their vocabulary instruction, enhance student learning, and foster a lifelong love for language. Come ready to collaborate, share ideas, and leave with actionable strategies you can implement in your classroom right away!
