Learning Opportunity

Bringing Literacy to Life: Practical Strategies for Creating Integrated Reading & Writing Experiences

Looking for ways to maximize every instructional moment? Join Maria for easy-to-implement techniques that blend reading, writing, and content-area lessons, helping students build critical thinking, deepen knowledge, and boost essential literacy skills. Discover research-backed methods for fostering cross-curricular connections and focusing on authentic, inquiry-driven learning. Walk away with a toolkit of mentor texts and classroom-ready ideas to bring back to your teaching space!

Presenters

Maria Walther

Maria Walther, is a seasoned educator, author, and literacy consultant with over three decades of experience teaching first grade. Her practical, yet engaging approach to classroom instruction has made her a trusted partner for educators seeking effective teaching strategies. With a doctoral degree from Northern Illinois University, Maria is an avid researcher who continues to further her knowledge of literacy instruction. All of Maria's books are filled with helpful ideas for busy literacy teachers. Learn more about her consulting work and find other resources at mariawalther.com or find her on Instagram @mariapwalther and @ayear4thebooks.
