Program

You are invited to attend “Early Learning Across Alberta”, an opportunity for jurisdiction “Early Learning” instructional leaders to learn together to share ideas, learn from each other, and build a collaborative network to support their work within their specific school jurisdictions. The day will follow an “ED-Camp” format with several topics identified prior to the day and an opportunity to suggest ideas for a final topic at the end of the day.

Participants will have the opportunity to discuss a variety of topics throughout the day. Topics will be finalized Mid-March based on your suggestions. These topics will focus on suggestions from those individuals that are registering to attend. We would encourage you to register early and provide your ideas about topics you would like to see the day focus on.
