Program

A number of resources have been created to support teachers in enhancing their foundational knowledge related to the histories, experiences, cultures, contribution and perspectives of the First Nation, Metis, and Inuit people. This Session will provide an opportunity to identify where many of these resources are located and allow participants to delve into the resources. Please Bring a laptop for this session.

Presenters

Cynthia Parr

Cynthia Parr, B. Ed., M. Ed

Cynthia Parr is currently a Learning Facilitator with SAPDC. Previous to this she has been a teacher, vice-principal, principal and Director of Student Services as well as taught at the post-secondary level. Cynthia received both her B Ed and M Ed at the University of Lethbridge with a focus on professional development to meet the diverse learning needs of all students. As a Learning Facilitator she supports districts, schools and teachers to develop deeper understandings in all areas related to current Alberta Education priorities. Her background is in the area of Student Services and

Inclusive Learning Supports (including best practices, differentiated instruction, Universal Design for Learning, Mental Health and Trauma Informed Practice). Cynthia is a passionate believer that every student can learn and achieve success given the necessary supports and a safe and positive learning environment.
