**About the Session:**

Once you have administered the Level B Assessment, how do you analyze the results and use them to develop learning plans responsive to the learning needs of the individual student?

Dr. Dave Carter will offer this one-day session in response to requests from jurisdictions in our region for information about how to best utilize this student data.

Participants should bring samples of student assessment data. Dr. Carter will facilitate examination and analysis of your data and support you in developing a learning plan.

**About the Presenter(s):****Dr.Dave Carter**

Dr. Dave Carter has been an educator for 40 years, having taught grades 6 and 7, been a Learning Assistance teacher, school psychologist (K-12) and Director of Special Education in two B.C. school divisions. Dave "semi-retired" in 2005 but continues to be very active in school work. Since retiring he has taught courses for U.B.C. and S.F.U., supervised doctoral students (S.F.U.) and also supervised school psychology interns (U.B.C.). He continues to do psycho-educational evaluations and has done recent volunteer work in Nigeria and Haiti.
